# 5th Annual Cardiovascular Update 2012

February 4, 2012 • Birmingham, Alabama

## Conference Description

The 2012 Cardiovascular Update is being offered through The CVA Medical Education Foundation. It is an annual continuing medical education meeting designed to provide physicians and other healthcare staff with a practical and timely overview of important developments in the care of patients with cardiovascular disease. A spectrum of cardiovascular topics will be discussed. Adequate time for questions and comments after each set of lectures will permit panel discussion as well as opportunity for questions and comments from the audience.

## Objectives

Following this activity, the participant should be able to:

- Counsel patients on lifestyle and pharmacologic therapy for congestive heart failure
- Adhere to guidelines for the evaluation and treatment of hypertension
- Discuss newer modalities for resuscitation, such as cooling and circulatory support
- Define advantages and disadvantages of stress testing without and with nuclear imaging
- Discuss weight loss strategies and options with patients
- Follow guideline recommendations for surgical risk evaluation
- Identify patients who would benefit from evaluation in a structural heart disease clinic
- Describe indications and pharmacologic properties of the emerging anticoagulants and antiplatelet agents

## Target Audience

This conference is designed for physicians, clinicians, nurses, and medical staff who treat and manage patients with cardiovascular disease. This includes those who specialize in internal medicine, family medicine, OB/GYN, neurology, critical care, pulmonology and podiatry.

**For more information or to register, visit us online at [www.cvupdate.org](http://www.cvupdate.org) or call us at 205-616-5938.**

## General Information

### Accreditation

Tenet Healthcare is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) for six (6) hours of Continuing Medical Education Category I credit.

This Live activity, Cardiovascular Update 2012, with a beginning date of February 4, 2012, has been reviewed and is acceptable for up to 6 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### Fee

Please see the registration section of this brochure for detailed registration fees. The registration fee includes the educational session, meals (breakfast, refreshment break and lunch on Saturday). All registrations will be confirmed via email or mail.

### Cancellations

Cancellation is allowed if written cancellation is received before January 20, 2012. A full refund minus a \$25 processing fee will be given for written cancellations received after January 20, 2012. No refund will be given for no-shows.

### Location

The conference will be held at The Cahaba Grand Conference Center located at 1 HealthSouth Parkway South, Birmingham, AL 35243. Their phone number is 205-969-5659. For directions, visit their website at [www.cahabagrand.com](http://www.cahabagrand.com).

### Accommodations

A block of rooms at a discounted rate has been reserved at The Marriott located directly across the street from The Cahaba Grand Conference Center. To reserve your room at The Marriott, please call 205-968-3775. Identify yourself as a participant in the CV Update. The deadline for room reservation is January 20, 2012.

### Please Note

Speakers and conference are subject to change without notice.

### Acknowledgement

At the time of printing, a complete listing of industry supporters was not available. Appropriate acknowledgement will be updated at [www.cvupdate.org](http://www.cvupdate.org) and provided at the time of the conference.

## Attendee Registration Fees

Physician Fee: \$99.00  
CRNP, RN or PA Fee: \$75.00

Complete the enclosed registration form and return by mail or fax.
