17th Annual Cardiovascular Update 2024

February 10, 2024

Marriott Birmingham • Birmingham, AL

CONFERENCE DESCRIPTION

Cardiovascular Update 2024 is being offered through The CVA Medical Education Foundation. It is an annual continuing medical education meeting designed to provide physicians and other healthcare staff with a practical and timely overview of important developments in the care of patients with cardiovascular disease. A spectrum of cardiovascular topics will be discussed. The format will be expert-led lectures and discussions with adequate time for questions and comments from the audience.

OBJECTIVES

- Adhere to guidelines for evaluation and treatment of patients with diastolic heart failure.
- Appreciate the importance of tricuspid regurgitation and appropriately manage and refer these patients.
- Discuss evaluation and treatment strategies for patients with cardiovascular disease.
- Apply evidence-based therapies for patients with carotid and peripheral vascular disease.
- Discuss evaluation and treatment strategies for patients with chronic kidney disease and cardiac disease.
- Adhere to guidelines for utilization of imaging studies.
- Discuss evaluation and treatment strategies for patients with syncope.
- Adhere to guidelines for device utilization.
